

Teen driver insurance checklist

Talk to an agent.

Find out when you need to add your teen to your policy and ask about coverage options.

Get a quote.

Brace yourself. Adding a teen driver will bump up your rates. A Farmers agent can help you explore ways to reduce the impact on your premium.

Look for discounts.

Is your teen a good student? Did they take a driver safety course? You may save on your premium.

Talk about safe driving.

Work with your teen to set safe-driving rules.

Update your policy.

Check in with your agent each year to make sure you're optimized for coverage and savings.
